

St. Peter's Cathedral Basilica
Music Ministry
Mission Statement

By our vocation as music ministers, we offer our gift of song to the worshiping community, to sing God's praises and to be open to the anointing of the Spirit.

To worship in spirit and truth is to open ourselves to conversion, healing and the love of God which unite us all in Christ Jesus. Our mission is to lead the assembly in worship through prayerful song by providing music which is integrated with the Liturgy.
